ELLINWOOD:

Bids Due on Ellinwood Street Lighting System in November

By JANET ROBINSON
FR 5-7063

On Tuesday evening, Oct. 16, the Torrance Councilmen gave their approval on the Ellinwood Improvement District, for the construction of a street lighting system, and directed the city clerk to publish notice that bids would be received for the work.

There were no protests lodged against the proposed lighting district which includes the Pacific Coast Hwy., Green Meadows Ave., and Highgrove Ave. between Nancy Lee Lane and Janet Lane. Bids on the construction of the street lighting system, which includes marbelite poles with ornamental lights and underground wiring, will be open until 5 p.m. Tuesday, Nov. 6. The bids are to be sent to the City Clerk's office.

With darkness coming so early now, it will be a pleasure to see our streets adequately lighted. Other sections of Ellinwood that did not fall into this improvement district are considering forming districts of their own.

When Barbara Weaver entertained her bridge club in her new home on Via La Selva in Palos Verdes on Tuesday evening, Oct. 9, she was surprised with a housewarming gift from all at the girls. After a tour of the Weaver home, an evening of bridge was enjoyed by all, after which coffee and dessert were served. Those included were Janice Lee, Janet Smith, JoAnn Doudna, Jeanne Pope, Jean Asher, Sonny Tomchak, Cecile Banaszynski, Maude Buckley, Janet Robinson, Liz Patton, and Rosalie Davis.

RECREATION ACTIVITIES

Season's Last Teen-Age Dance Slated Saturday in Auditorium

A variety of activities for both children and adults are underway this fall, according to the Torrance Recreation Department.

The last of a series of dances for teenagers sponsored this past summer by the Torrance Recreation Department will be held in the Civic Auditorium this Saturday night.

Octave Bonomo and the Rhythm Warriors will play for the dance. Admission will be either by a season pass or a 50-cent single admission ticket which may be obtained at the box office. Doors open at 8 p.m. and the band will play from 8:30 to 11:30 p.m.

A supervised play program is conducted each Saturday from 10 a.m. to 5 p.m. at six elementary schools.

The schools and the directors are Ross Jackman, Carr; Dwight Stapley, Crenshaw; Nick Dellon, Hillside; Howard Larimer, Seaside; George Glaze, Carl Steeler, and either Frank Taylor, or Jack Mertz at WALTERIA. Beginning Saturday, Newton School also will have a Saturday program.

The following evening schedule is in effect at Torrance High School:

Monday, 7-9:30 p.m., co-ed badminton, Girl's Gym.

Wednesday, 7-9:30, co-ed volleyball, Girl's Gym (teen ages); 7-9:30, free play basketball, Boys' Gym.

Thursday, 7-9:30, adult mixed volleyball, Boys' Gym.

Plans are currently underway for the second annual teen age girls' volleyball tournament which will be held Nov. 7 and 14 in the Girl's Gym. There is an entry fee of \$1 which will be returned when the team has completed the playing schedule. Entry blanks are available at the Torrance Recreation Department, 3031 Torrance Blvd.

Action at WALTERIA, Torrance, El Retiro, and McMaster Parks has been highlighted by the opening games of the Flag Football League.

El Retiro Park also has announced the formation of a square dance class on Saturdays. Contact Director Frank Denman or Mary Lou Sess at the park, Mondays through Saturdays.

McMaster Park has been the location of an afternoon folk dance class every Tuesday and will also be the site of a square dance class on Friday evenings between 7:30 and 9:30 p.m. for all teen agers.

Catalina on Saturday, Oct. 13, and returned Sunday evening. The big summer with its crowds is over and they spent a leisurely time hiking four miles up the beach, dancing, and just enjoying each other's company. Janice says it was like courtship days—all alone with no children. Vikki and Greg stayed home with their aunt, Linda Lee.

The Newton PTA meeting last Thursday evening was a very interesting one on Bicycle Safety. Mr. J. Roy of the Automobile Club, showed an interesting film from 5 to 8 p.m. and will include baked ham, cole slaw, baked beans, and hot rolls for only 75 cents and children under 12, 35 cents. Hot dogs, milk and coffee will be available, plus a pie and cake table to choose your dessert from.

Thomas and Ann Burns, of 4439 Highgrove, welcomed their third child on Oct. 6. His name is Michael Joseph and he weighed in at 8 lbs., 10 ozs. He has a brother, Jimmy, and a sister, Barbara.

"Jo" Quinn at 4526 Highgrove invited a group of 20 friends to her home last Tuesday evening for a toy party. It was also an occasion for her sister from Boston, Eleanor Ryan, to meet all of "Jo's" friends. Carol Cooksey was the demonstrator for the toy show. Afterwards the women all enjoyed refreshments of the Halloween motif, punch, doughnuts, served with Halloween napkins.

Margaret Darnall, of 4426 Pacific Coast Hwy., called in to report a parakeet has been found in their neighborhood. She says it's a cute little bird that has been finger trained. She is keeping it in her home with her two birds until the owner comes and claims him. If anyone has lost a pet bird in Ellinwood you'd better give Margaret a ring at FR 5-7258.

The Girl Scout Calendar sale is in full swing. You can buy your appointment calendar from any of the Girl Scouts or Brownies or you may call Mrs. Lelan Livingston at FR 5-4447, chairman of the sale. Proceeds go to help the Girl Scout Camping program.

Bonner Adams, of 4502 Pacific Coast Hwy. and two friends, Jim Diamond and Bob Judd, of Inglewood, traveled beyond Lone Pine and Independence into the High Sierra country on a hunting trip last week end. They left Friday night and returned Sunday evening after having bagged 14 ducks. Bonner says it's mighty cold in them their mountains! They wore their long flannels and caps with ear muffs and took along some good warm sleeping bags. He's raring to go again—for five days next time.
